

ELLA & SOFIA

Gadara Fabric

A 1920s abstract fabric frieze by the Sydney Wallpaper and Decorating Company 'Morrison's' has been the inspiration for the Ella and Sofia 'Gadara' design. Black charcoal and white forms the structure of the Gadara design and provides both a masculine and feminine feel. The dots represent a pathway from our history to the present day. A pink colour way has been incorporated to soften the design and resemble the nouveau style of the original piece from which it was inspired.

SPECIAL NOTES

Our fabric is sold by the vertical yard.

We offer samples for all of our fabrics. Samples are A4 in size (8 1/4" x 11 3/4") to show colour and quality. We highly recommend purchasing a sample first to check colours. Please note our samples are pre-cut and intended for colour matching purposes, so while they will contain all the colours of the pattern, they may not include full elements of the pattern.

Please note the vertical and horizontal repeats of the various patterns when calculating how much yardage you'll need for your project. We recommend overestimating so you don't run out. All Milton & King fabrics are digitally printed on demand and, as a result, colour variations may occur from batch to batch. Colours will also vary depending on the selected base cloth so please request a sample for a true representation. Trimming is available on request and at an additional cost.

ADDITIONAL INFO

Fabric Care Instructions

Please view our complete fabric care and stain removal instructions here. This care guide has been compiled to help you select your chosen fabric with confidence and to maintain the feel, comfort and appearance of your fabric throughout its lifetime.

If you have any questions please email or [contact us](#) through one of our many touch points. We're more than happy to help!

Waterproof Upholstery

We can manufacture our designs to meet commercial requirements and more. Including Polyester with Waterproof Backing, Soil Release Finish, and Antibacterial & Antimicrobial. Fabrics designed to resist the rigors of high spillage areas. Contact our trade department to discuss the possibilities or [schedule a callback](#) with one of our trade representatives at a convenient time for you.
